5. Concentrations:

Students pursuing the Management Specialist may choose to concentrate in one of three areas:

1. **Strategy**
2. **Marketing**
3. **Leadership in Organizations**
4. **International Business**
5. **Innovation and Entrepreneurship**

Students do not have to pursue such a concentration and may continue to pursue the BCom in Management as outlined in the Arts & Science Calendar.

To pursue one of these concentrations, a student must fulfill all of the BCom in Management requirements and also all of the requirements of the concentration (specific course requirements may be found on the portal under Specialist in Management – Management Specialist Concentrations). Each of the concentrations requires students to take five specific H courses in RSM (with some flexibility to pick from a list). Each concentration also requires one specific H course in communication skills. Finally, each concentration has recommended courses that one may pursue in the Faculty of Arts & Science as a complement to these RSM courses.
