

ROTMAN COMMERCE

CLARE

Chatham, Ontario

Specialist in Accounting, Class of 2017

Why did I choose Rotman Commerce? I chose Rotman Commerce because I've always loved math and helping others. Rotman gives me a chance to learn about the things I enjoy.

Prior to Rotman Commerce? Prior to Rotman Commerce I was highly involved in high school doing various sports, leadership events, clubs and musicals.

What do I do outside of class? I surf, play violin, volleyball, fastpitch, volunteer at my church and watch Detroit Tigers baseball.

What surprised me most about Rotman Commerce? The amount of clubs and teams everyone has the chance to take part in.

What is my advice to incoming students? "Dreams are just dreams until you wake up and make them real." Work hard for your dream, and don't ever think you can't achieve it.

What are my future plans? Become a CPA, and hopefully have the chance to work with my father and grand-father. I also have plans to see the world, and to be the first female MLB coach.

My favourite non-Rotman Commerce course was AST101 because of the support and help the course offered.

The best thing about Toronto is experiencing new neighbourhoods with friends.

The best thing about the University of Toronto is St. Michael's College.

My favourite place to eat on or around campus is Pusateri's in Yorkville, great café and the grocery store.
