Why did I choose Rotman Commerce? I chose Rotman commerce because it is the #1 business school in Canada.

My highlight at Rotman Commerce is doing well on tests that I have studied hard for.

My favourite non-Rotman Commerce course was urban geography because my teacher was really nice and supportive.

My favourite Rotman Commerce course was management because the teachers in both semesters were really engaging and passionate about their course.

The best thing about Toronto is if you want to find anything, whether it be a new Mexican place or a beauty product, you can find it in Toronto.

The best thing about the University of Toronto is knowing that you are at a school that is very hard, but very rewarding in the end with respect to what jobs you will be able to get.
