

## DUNSIN

Toronto, Ontario

Specialist in Finance & Economics, Class of 2019

**Why did I choose Rotman Commerce?** Being an international student, I needed a program that is recognized around the world in order to aid me in whichever career path I choose to follow! Plus, having a business background would empower my capabilities in any industry.

**Prior to Rotman Commerce?** I was a simple girl with big dreams living in the city of Lagos, Nigeria.

**What do I do outside of class?** I spend my spare time getting involved with groups and events that help me meet new people with different backgrounds. I am naturally a social person and feel that by having engaging conversations with different types of people increases my knowledge!

**Claim to Fame?** My positive outlook on life – I always smile/laugh regardless of the situation.

**What surprised me most about Rotman Commerce?** The staff at Rotman Commerce are super easy to talk to and have so much knowledge about the industry that they are always willing to share! They also do not shy away from making personal connections and helping you on the journey towards a more successful version of yourself.

**What is my advice to incoming students?** Have an open mindset and keep asking questions as you do not know where they might take you. Plus, you can only make it if you believe you can.

**What are my future plans?** Apart from having a solid career in finance, I plan to stay active within organizations centered around youth and female empowerment.

**My highlight at Rotman Commerce** So far, being part of the student ambassadors because it gave me a deeper understanding of the program, as well as making lifelong friends along the way!
