

ROTMAN COMMERCE

Tiffany Chu

Fremont, California & Hsinchu, Taiwan
Specialist in Accounting, Class of 2019

Why did I choose Rotman Commerce? I chose Rotman Commerce for its location, diverse community, and the plethora of opportunities students can pursue both inside and outside the classroom. I have always felt a strong sense of community full of encouragement and support.

What do I do outside of class? In my first year, I joined the Varsity Cheerleading team and this year, I am part of the Liquid Assets Dragon Boat Team. I was also part of the Rotman Commerce Accounting Society (RCAS) and Suits U where I worked with amazing individuals and grew professionally. Most importantly, I give back to my community as Rotman Commerce FLC mentor and Social Media Director of Circle K (service club). This year, I will be taking on Peer Advisor for the RC Career Centre (come say hi!)

Claim to Fame? Accepting challenges, like joining dragon boat even though I have extreme seasickness and can't swim. What doesn't kill you makes you stronger!

What surprised me most about Rotman Commerce? The fact that everyone has unique stories to tell! You'll meet people from all parts of the world with crazy experiences.

What is my advice to incoming students? Don't fear failure! Be open to criticism and always ask for feedback.

My highlight at Rotman is networking by making genuine connections. Talk to people because you are curious and are passionate about learning more.

My favourite non-Rotman Commerce course is AST201 Stars and Galaxies - It's a great way to meet people outside of Rotman Commerce and participate in fun activities such as viewing the night sky with telescopes!

My favourite place to eat on or around campus
