## 2. Sample Program Progression

**Note:** Students can design their own program progression provided that prerequisites and co-requisites are met, while taking into consideration their abilities, workload, co-curricular/work and other commitments. Consult Degree Explorer to review your degree and program requirements.

Management Specialist							
Year 1		Year 2		Year 3		Year 4	
Fall	Winter	Fall	Winter	Fall	Winter	Fall	Winter
RSM100Y		RSM219H	RSM222H	RSM332H	RSM333H	RSM 400-level Elective <sup>3</sup>	RSM 400-level Elective <sup>3</sup>
ECO100Y		ECO204Y		RSM392H	RSM Elective	International ECO Elective <sup>+</sup>	International RSM Elective <sup>+</sup>

+ Note that this sample program progression assumes the International Requirement is fulfilled through 0.5 ECO + 0.5 RSM, therefore:

10 RSM = 5.0 required + 1.0 400-level electives + 0.5 international elective + 3.5 unspecified electives

10 non-RSM = 1.0 MAT + 3.0 required ECO + 1.0 300+ ECO + 0.5 ECO international elective + 4.5 FAS electives

<sup>1</sup> Must complete 4.5 FCEs FAS electives

<sup>2</sup> Must complete 1.0 300+ ECO

<sup>3</sup> Must complete 1.0 400-level RSM

## 3. BCom Breadth Requirements

The purpose of the Breadth Requirement is to ensure all students graduating with an Honours degree from the Faculty of Arts & Science have chosen courses across a broad range of subject areas in the Faculty as part of their undergraduate education.

1. Creative and Cultural Representations
2. Thought, Belief, and Behaviour
3. Society and Its Institutions
4. Living Things and Their Environment
5. The Physical and Mathematical Universes

Students must take at least 4.0 full-course equivalents (FCEs) that have been designated as satisfying the Breadth Requirement. These 4.0 credits must be either:

- (a) at least 1 FCE in each of any 4 of the 5 categories above, OR
- (b) at least 1 FCE in each of any 3 of the 5 categories, and at least 0.5 FCE in each of the other 2 categories.

Effective Fall 2017, all BCom students will be subject to the same breadth/distribution rules as students pursuing HBA or HBS degrees. Courses which previously did not count toward the Rotman Commerce breadth/distribution requirements, particularly MAT133Y and ECO220Y, will now count as outlined in the [Rotman Commerce excerpt of the Faculty of Arts & Science Calendar](#). This change is retroactive and applies to all students currently enrolled in a BCom degree program.

## 5. Focuses in Management

Students pursuing the Management Specialist may choose to focus in up to two of four areas:

1. **Focus in Finance**
2. **Focus in Leadership in Organizations**
3. **Focus in Marketing**
4. **Focus in Strategy and Innovation**

Students do not have to pursue such a focus and may continue to pursue the BCom in Management as outlined in the Arts & Science Calendar.

To pursue a focus, a student must add the appropriate program on ACORN and fulfill all of the BCom Management requirements and all of the requirements of the focus. Specific course requirements are available in the Academic Calendar and on the Rotman Commerce Portal. Each focus can be tracked on Degree Explorer once added to ACORN. Each focus also requires one specific H course in communication skills.

Focus requirements can be reviewed on the Rotman Commerce Portal:

**Academic Services > Your Academic Program > BCom Specialists Requirements > Management > Management Focuses**

### **Note on former Management Concentrations**

Concentrations are still available to students pursuing the Management Specialist, including the International Business concentration. Student may opt to complete a focus as detailed above OR pursue up to two of the five concentrations.

1. **Innovation and Entrepreneurship**
2. **International Business**
3. **Leadership in Organizations**
4. **Marketing**
5. **Strategy**

Students do not have to pursue such a concentration and may continue to pursue the BCom in Management as outlined in the Arts & Science Calendar.

To pursue one of these concentrations, a student must fulfill all of the BCom in Management requirements and also all of the requirements of the concentration (specific course requirements may be found on the portal under Specialist in Management – Management Specialist Concentrations). Each of the concentrations requires students to take five specific H courses in RSM (with some flexibility to pick from a list). Each concentration also requires one specific H course in communication skills. Finally, each concentration has recommended courses that one may pursue in the Faculty of Arts & Science as a complement to these RSM courses.

Concentration requirements can be accessed on the Rotman Commerce Portal:

**Academic Services > Your Academic Program > BCom Specialists Requirements > Management > Management Concentrations**
